Re: Vladimir v. Bioenvision, et al. Case Number 07-6416

Your Honor:

Defendants in the above-referenced action submit this letter pursuant to the Court's request dated November 13, 2007. Defendants do not object to the Court allowing lead plaintiffs in this action to serve "preservation" subpoenas to non-parties, as long as those subpoenas simply reference preservation of documents and information, but not production of the same.

Sincerely,

Alexis L. Shapiro
